

# Building the Future

One of the keys to future development work is regular, known income for the Trust. Only when we know the level of that income in advance can we plan properly for future community and club projects. Regular payments, no matter how small, from Trust members would allow our support of the club in the community to grow.

**This is a major initiative from the Trust, please contribute what you can.**

If you want to make a difference at Palmerston by helping the Trust, then simply fill in the form below and send it to your bank. You can change a standing order at any time, cancel it, adjust the amount, pay every 6 months. It's entirely under your control. Make a difference, join in. Your club, your community, your say.
